

CYBER & IT SUMMIT @ THE DFC

BUILDING 41 REMINGTON ARMS CONFERENCE ROOM

WEDNESDAY, AUGUST 21, 2024
9:30 AM - 3:30 PM

Join the Information Systems Security Association (ISSA) - Northern Colorado Chapter on Wednesday, August 21, 2024, for the Cyber & IT Summit at the Denver Federal Center. The event will take place at Building 41 in the Remington Arms Conference Room from 9:30 AM - 3:30 PM.

The summit will feature cybersecurity awareness, contracting, and technical briefs from government and industry SME Speakers, as well as cyber and IT exhibits. Learn, collaborate, network, discuss best practices, and explore the most up to date remediation strategies in cyber!

REGISTER TO ATTEND HERE: <https://tinyurl.com/DenverFC2024>

- All those who are interested are invited to attend.
- There is no fee to attend for those with a .gov or .mil email address (including contractors).
- There is no fee to attend for ISSA members.

KNOW BEFORE YOU GO:

- Attend as many, or as few, sessions as your schedule allows or stop by for the exhibits.
- Lunch will be provided.
- CPE/CEU Credit will be awarded.
